HOW TO SET-UP YOUR MEMBER EXCLUSIVE GRAIN SA APP

Step One

01

- Open your web browser or internet
- Go to app.grainsa.co.za

APP

02

Step Two

You GET...

- Exclusive information
- Agricultural conditions
- Planting intentions
- Harvest progress
- Rain data

In your Region & Nationally

- Type in your GSA number, your e-mail address and create a password (password should contain at least 6 characters)

Step Three

03

- PAID UP members will be redirected to the Member Login page
- LOG IN with e-mail & password that you registered with

04

Step Four

- Add the APP to your homescreen by selecting the arrow-up button on iPhone or select Add to Homescreen on Android (You have to do this only once)

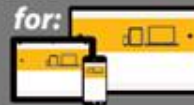

Ready!

05

- GO AHEAD... Access your regional and national agricultural benchmark figures including:
 - Your Farms - Production - Rainfall - SAFEX Feeds - Stats Overviews

Available for:

Hoe lyk die huidige witmielie oes?

GMO MAIZE IMPORTS

Grain SA noted media reports that permits for US GMO maize imports were issued, but remains of the position that the imports do not promote local producers' competitiveness if the same GMO events are not available to local producers as well.
