

Hopefield Hall

The image shows a 2D grid representing a 20x20 square divided into four 10x10 quadrants. The top-left quadrant is labeled '4X4' in purple. The top-right quadrant is labeled '4X4' in purple. The bottom-left quadrant is labeled '5X4' in purple. The bottom-right quadrant is labeled '4X4' in purple. The grid is numbered 12 to 22 along the top edge and 09 to 01 along the bottom edge. The grid is bordered by a green line on the left and right, and a red line on the top and bottom.
