NAMPO Courier/Logistics Solution to Exhibitors

Dear fellow Nampo Exhibitor

Trust this mail finds you well and you are as excited as us to attend the long awaited NAMPO 2022!!!

From farm to table, Aramex Agriculture can take care of all your logistics needs as a proudly South African farmer.

Let us offer you some peace of mind with a cost-effective, tailor-made warehouse and logistics solution.

We are excited to be in partnership with NAMPO to bring exhibitors a Supply Chain Solution and hassle-free delivery to and from the event!

How does it work? Complete the survey below so we can start the Aramex consolidation process that is specially designed and offered to all NAMPO Show Exhibitors!

From here we can gather the necessary data to formulate a national location delivery plan.

Aramex will contact each exhibitor to arrange collection date and time to move all unique products through our National Network.

We can consolidate all shipments as per their specification and road freight to Nampo Park.

Let us help you build tomorrow, today!
